

To whom it may concern,

**Subject: End of Life Plan**

Torex Semiconductor Ltd. uses the best efforts to release new products which corresponding to the market trends. At the same time, we implement product integration every year for improving the productivities and supplying products to our customers stably.

As a decrease in demand of the products listed on the following page has become remarkable, we regret that we have to limit shipment on these products in order to discontinue within few years for the above reasons.

1. End of Life planned products: Please refer to the attached list.
2. End of Life Schedule: 2 years (plan) from January 2009  
\*Depending on sales figures, the above schedule may be changed.  
\*\*As soon as the EOL period is over, we will announce discontinuation and the last date of issuing purchase orders for these products.

For more information or any inquiries, please ask Torex sales person or representatives for the details.

Last of all, we would appreciate very much for your great understanding for the above-mentioned circumstances and for your loyal patronage to these products for many years.

Best regards,

Koji Shibamiya  
General Director,  
General Sales Headquarters  
Torex Semiconductor Ltd.

Products	Package	Description
XB01SB04A2BR	SOD123	1A/40V Schottky Barrier Diodes
XB0ASB03A1BR	SOD323	500mA/30V Schottky Barrier Diodes
XC6373A Series	SOT89/USP6B	PWM Controlled Step-Up DC/DC Converters
XC612 Series	SOT-25/ USP6B	2 Channel Voltage Detectors
XC62R Series	SOT23/SOT89/ TO92	Positive Voltage Regulators for Voltage Reference Source
XC62F Series	SOT23/SOT89/ TO92	Positive Voltage Regulators
XC62G Series	SOT25/SOT89-5	Voltage Regulators with On/Off Output Switch
